

Your Clear Path Visit

What to expect before, during, and after an outpatient imaging appointment

This guide helps patients prepare with confidence. It explains timing, food and medication instructions, arrival steps, the imaging experience, and when to contact the care team.

30 MIN

EARLY ARRIVAL

3

PREP STEPS

24/7

NURSE LINE

Bring your medication list and preparation instructions.

YOUR VISIT / THREE STEPS

1

Before you arrive

Confirm preparation instructions, bring a medication list, and arrange transport if sedation is planned.

2

At the clinic

A technologist will review the procedure, answer questions, and confirm your consent.

3

After your visit

Follow the discharge plan and call immediately for severe pain, breathing changes, or swelling.

CALL YOUR CARE TEAM IF YOUR INSTRUCTIONS ARE UNCLEAR
