

Morrow Field Notes

A compact identity guide for a thoughtful outdoor goods company

Morrow makes durable objects for everyday time outside. The identity is quiet, useful, and grounded in materials that age well. Every expression should feel observant rather than adventurous for its own sake.

Positioning

Well-made field essentials for people who notice weather, terrain, and small rituals.

Voice

Direct, specific, and lightly poetic. Avoid hype, conquest language, and performance claims.

Visual behavior

Natural texture, generous negative space, documentary imagery, and one warm signal color.
