

Open Harbor 2026

A year of neighborhood food access, job coaching, and shared resilience

Open Harbor combines weekly food distribution with practical employment support. This report connects program reach to measurable household stability and outlines the partnerships needed for the coming year.

IMPACT

Food access

Three neighborhood sites now provide consistent fresh-food pickup within a fifteen-minute walk.

Employment

One-to-one coaching helped 91 residents enter new roles with a median wage gain of 14 percent.

Next commitment

Launch a mobile market route and add multilingual benefits navigation twice each week.
